1	<p>Minutes of last meeting</p> <p>Recap on analysis so far.</p>

We think this means what to do in a medical incident.</p> <p>Picking up litter and better recycling.</p> <p>Re bush and the ditch - We need to make it clear that the bush and ditches are out of bounds, cloakroom areas to be tidied.</p>
3	<p>Reception class to use small monkey bars only, not to be lifted up by other children.</p> <p>Drinking food on the floor.</p> <p>Assembly time to remind everyone about the rules.</p>
4	<p>Next couple of weeks to be spent collating behaviour questionnaire data. Will meet back in July to discuss the results.</p>
