	Summarised Discussion Points
1	<b>Minutes of last meeting</b> Recap on last week - choosing our top priorities.
2	Last step for this project - Councillors and Mr Smith talked about risk. All things are risky - it doesn't mean we don't do them. However, we should always look at this when we are introducing something in school. Councillors were asked to grade their suggestions from 1-5 with 5 being highest risk. For anything scoring 5, chn asked to record what we could do to manage the risk. Chn need next week to complete this task.
3	Councillors informed that World Vision have changed our sponsored child from Thurno to a new child called Assette Konde. Mr Smith will call world vision to see what has happened to Thurno.
